## Things to note about ClearIAS Prelims Test Series:

- **Helps quick learning of textbooks along with test series:** As mentioned in the timetable, the focus of ClearIAS is to cover (1) NCERT Text Books (2) Standard Reference Text Books (3) Current Affairs and (4) All-Topic-Exams in the most efficient way.
- **Covers both static topics and current affairs:** ClearIAS gives equal importance to static topics (History, Geography, Polity etc) as well as current affairs.
- **Covers both conventional and unconventional question topics:** We intend to help our enrolled students clear UPSC CSE Prelims - irrespective of the UPSC question difficulty. As part of ClearIAS fail-proof strategy, conventional and unconventional areas are given equal importance in our test series.
- **Generates intelligent interest in events happening around you:** Aspirants should realise that just covering textbooks (traditional areas) is not enough to clear UPSC anymore. Candidates are expected to have taken an intelligent interest in the events which are happening around them.
- **Develops Exam Skills:** ClearIAS has always emphasised that success in UPSC = 50% Knowledge and 50% Exam-Skills. As part of ClearIAS strategy, special care is given regarding the continuous development of analytical skills in aspirants. Questions, answer choices, and explanations are framed in such a way to cultivate the thinking process of [Intelligent Elimination](#) of wrong answers.

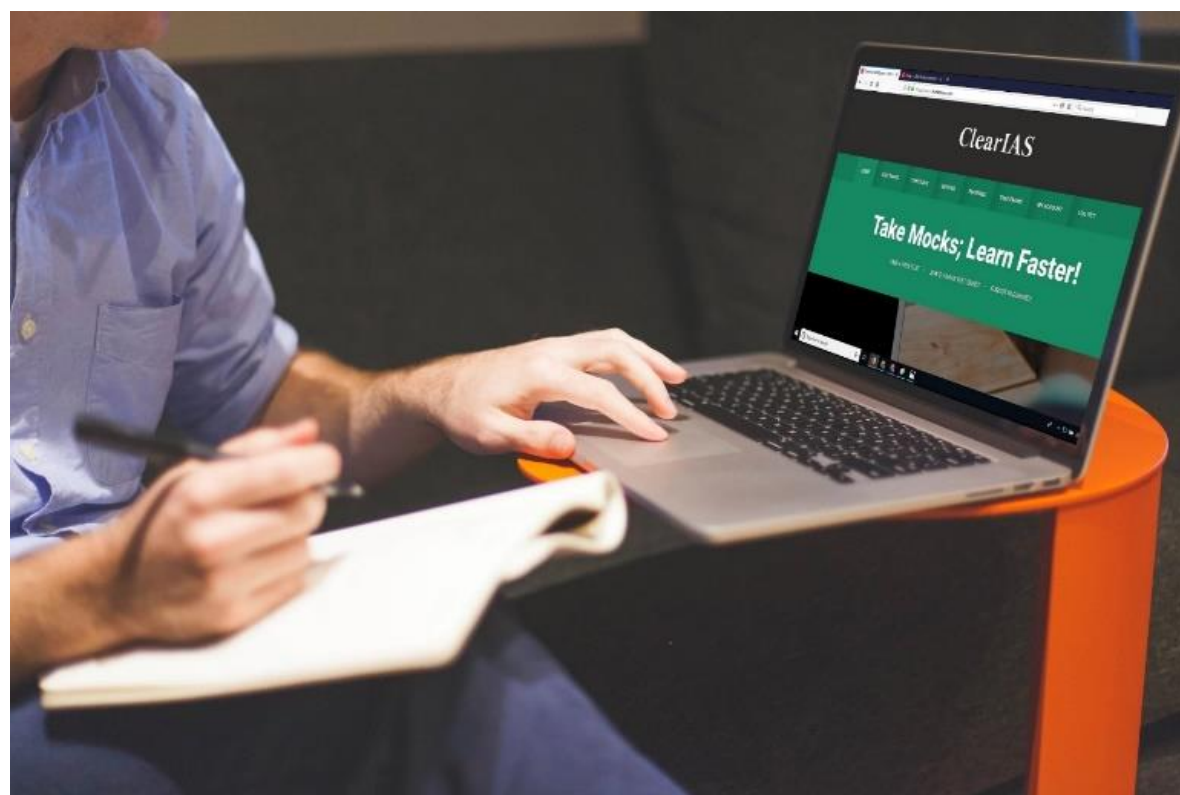

**To enroll in ClearIAS Prelims Mock Test Series,  
login to ClearIAS App or Website ([www.clearias.com](http://www.clearias.com))**

- **Exams are uploaded on Sundays:** We keep uploading the above mentioned mock exams one-by-one on **every Sunday** at around 10.00 AM. A gap of 2 weeks is provided for Subject-Specific Mock Exams based on standard reference textbooks, which needs more time to cover.
- **Provision to take exams at any time convenient:** Aspirants who are enrolled in ClearIAS Prelims Test Series can take the exams at any time convenient before Prelims 2021.
- **Instant Access to Uploaded Exams:** Once enrolled, you would get instant access to all the uploaded paid-mock tests on the website – even at midnight!
- **Automatic Access to Upcoming Exams:** You would also get automatic access to all upcoming paid-mock tests in Prelims Test Series 2021, without any additional individual payments!
- **The validity of ClearIAS Prelims Test Series 2021:** The 40 exams in the 2021 test series is focused to help you clear UPSC Prelims 2021. The validity of the subscription to ClearIAS Prelims Test Series 2021 and other add-on services is until Prelims 2021 (ie June 27, 2021), irrespective of the date of joining. Once the Prelims is over, we usually delete all test records and upload new questions for next year test series.
- **The Sources of Questions:** For subject-specific exams and current affairs exams, you should expect about 25% questions to be outside the reference sources mentioned above. This is purposefully done, as you cannot expect UPSC to stick to any particular book as above.
- **The Span of Current Affairs:** The span of Current Affairs questions in the initial exams of ClearIAS is 5 years, while the last 3 Current Affairs exams cover events in the last 2 years. This too is purposefully done. It is noticed that UPSC nowadays ask questions based on items in news even 4-5 years before.
- **The revision of completed exams:** You can revise completed mock exams online from "[My Account](#)" link. Apart from solutions and answer keys, detailed performance analysis reports are also available online. As we provide online revision facility, we don't provide PDFs or printouts. This ensures that (a) aspirants get the most accurate relative performance reports and all-India ranking (by avoiding multiple submissions) (b) questions remain in a closed loop (c) candidates practice in a timed-environment with negative marking and avoids mistakes in the exam hall (pirated photostats and PDFs negatively affect both candidates and us).

**To enroll in ClearIAS Prelims Mock Test Series,  
login to ClearIAS App or Website ([www.clearias.com](http://www.clearias.com))**

- **The right to change the timetable of exams:** ClearIAS reserves the right to change the above time table if needed. However, we will intimate all changes via the website, and email notifications.

Sir, I'm Ganesh U R. I secured AIR 39 in UPSC Indian Forest Service Examination (IFS).

I am deeply indebted to Clear IAS for helping me achieve this feat.

It was your well planned , and thoroughly researched Test series which helped me cross IFS cut off in all the UPSC prelims i had attempted.

I am especially thankful for the culture, environment and ecology , ancient and medieval history and the current affairs test series and study materials. These helped me score 142, 130, and 116 in my past 3 prelims attempts.

Alex Sir at ClearIAS has been a brother, mentor and guide.

The brainstorming sessions before mains and Interview not only helped me gain perspective but also helped me maintain my motivation levels.

Thank you Alex sir and team ClearIAS.

Dear Alex bro,

I am extremely happy to put on record the role played by clearias.com in helping me secure a good rank in UPSC civil services exam 2018.

Alex bro and me had interview way back in 2014 on the same day. Since then, he has been a pillar of support.

Initially my association with clearias.com happened by using the prelims test series. Since then, I became part of the team as a content writer, prelims question maker, UPSC prelims key preparation and for mock interviews. You may find the articles I wrote for the site even now.

More than that, I am happy the way he, along with others, kept on motivating me, after every failed interview.

This time around, as a full time working candidate, due to paucity of time, I relied heavily on the monthly MCQs of clearias.com for prelims, the quality of which I can personally vouch for.

Sir, I'm Angel Raj who secured Rank 623 in the Civil Services Exam 2018.

My success is as much as ClearIAS as it is mine.

I was enrolled in ClearIAS prelims test series from 2015 to 2018. I had cleared prelims in all these years quite comfortably.

Alex sir and the team behind ClearIAS are surely pioneers in reducing the clutter one encounters while preparing for prelims.

Polity was a tough subject for me and it was Alex sir and the notes of ClearIAS that helped get on track.

The important questions posted before the mains exam helped me cover areas that i had left out. Even for the interview probable questions list from ClearIAS helped me prepare for the interview.

# How should you prepare for UPSC Prelims 2021 most efficiently – as per ClearIAS Strategy?

- Stick to ClearIAS Timetable, whenever possible.
- If you are not able to finish a subject within the mentioned time, don't worry. Take the mock exam on the mentioned date with whatever preparation you did. You would get time to revise the leftover topics, later.
- Once each exam is over, spend time to analyse your performance. Detailed performance reports, solutions, and answer key will be available in "[My Account](#)" link.
- Don't bother much about the marks you get in the initial exams. Rather focus on equipping yourself to UPSC standards.
- We strongly recommend practising previous year UPSC Prelims Questions in a timed environment, in addition to the mock exams above. We have provided the UPSC-retake exams as an add-on service. Solutions are based on the official key of UPSC for Paper 1 and Paper 2. Devote your Saturdays for UPSC previous year re-takes.
- Read extensively. Develop intelligent interest not only in the traditional books but also in the events which are happening around you.
- Develop your analytical skills by practising [ClearIAS Intelligent Elimination Techniques \(IETs\)](#).
- Use the [3-2-1-0 E method for solving MCQs](#). Start using this method early, so that you will get used to it.
- Don't neglect the CSAT (GS Paper 2) altogether.
- Make sure you revise all exams 2-3 times before UPSC Prelims 2021, from "My Account" link.
- [Remember the 80-20 principle](#). Just focus on the most-important-20-percent, and you would score high!
